The City of Conroe Public Works Department spent the day, Wednesday Feb. 26, improving the entrance to the historic African American Conroe Community Cemetery. Cemetery Cleanup Project Coordinator John Meredith said material was brought in to level and strengthen the entrance and the culvert pipes were reset to improve the drainage and access. Meredith said a “thank you” also goes out to City Councilman Jody Czajkoski for his part in arranging this effort to improve the cemetery.

If you would like to participate in the restoration effort come out to the next clean up on Saturday March 7th from 8-4, or contact project coordinator John Meredith at [txgeoman@gmail.com](mailto:txgeoman@gmail.com) .
