The Conroe Community Cemetery Restoration Project began its spring clean up effort on Saturday. Nineteen volunteers were in attendance to help clear brush from the historic African American cemetery. Other dates for clean up will be every two weeks from 8 a.m. to 4 p.m., Feb. 8 and Feb. 2, March 7 and March 21 and April 4. Come out and lend your support to recognize these forgotten pioneers and their contributions to the history of Conroe.
