Conroe Community Cemetery Restoration Project

Courtesy photo

Conroe Community Cemetery Restoration Project's (CCCRP) field trip had a great turnout on Saturday, April 13, to tour the Conroe Community Cemetery. There were 9 hardy souls who braved the weather to view the cemetery and discuss CCCRP's plans to restore it. The group found two new graves, identified several plants used to mark graves and are all excited to get their hands dirty. The photo was taken in front of Dora Armstrong's grave. Our CCCRP board member, tour guide and photographer was John Meredith, not shown. CCCRP meets the 2nd Tuesday of the month at 6 pm in the large meeting room on the first floor of Montgomery County Memorial Central Library. All are welcomed to attend. Visit www.cccrp.org for more information.
