## **William Pitts**

Very little is known about William Pitts. There are only two known records with him in them. One is a census and the other is his Find A Grave record.

In the 1880 US Census, George and Jane Pitts are living in Precinct 4 of Montgomery County, Texas where they are farming. In this census, they are known by their first initials. Wm was born in 1869 and is a farm hand. He has an older brother with the initial M (13), a younger brother with the initial J(9). and a sister with the initials of Su(9).

In the 1900 Census, William is not living with his parents and has not been found in any census record. Presumably, he is alive because his mother Jane says that has given birth to 7 children and that 7 are living. No death certificate has been found.

William Pitts is buried in the Conroe Community Cemetery along with his parents and 3 of his siblings.
