### **Leon A Williams**

Leon A. Williams was born in Montgomery County, Texas in 1910 to Edd Williams and Jessie Dearniet. The death certificate lists 1910 as his birth date, age 20 years, 6 months and 25 days. Based on his date of death he was born September 30, 1910. His father, Edd was born in Huntsville, Walker, Texas and his mother Jessie was born in Grimes County, Texas. The informant on his death certificate is Jessie Coleman. After some research, it is possible that her last name was incorrectly written or indexed as there is a Jessie Devereaux Coleman in Montgomery County that may be his mother. Leon's profession was working at the sawmill. He died as a result of Sarcoma on 25 April 1931 in Conroe, Texas. His headstone says he was born 1910 and died 1930.
